The three academic blocks provide the college with enough number of rooms to run our teaching smoothly. At present we have 33 class rooms and an enormous seminar Hall
  
- II) **Hostel:** At present there are two boys Hostel named Vidyasagar and Vivekananda with a capacity of sixty students. Another Hostel for girls named after Nazrul will be available soon where minority girls will be given first preference. Dr. Manas Kumar Das (Vidyasagar), Dr. Kalyan Senapati (Vivekananda) and Prof. Soma Lohar (girls hostel) are in charge of the Hostels at present.
  
- III) **Library:** We can be proud of our existing Library facility. Number of books in the Library is increasing day by day because of grants from UGC, State Govt. and also from our own internal resources. There are ample opportunities for the students to spend their time in the reading room in our Library. Students can also take the help of computer searching methods to find their desired books, journals etc. from the Library. Our Library is equipped with KOHA and online resources are also available.
  
- IV) **National Service Scheme (N.S.S.):** The N.S.S. is in operation in the college. The college takes it very seriously from the beginning, since we believe that the volunteers of N.S.S. are instrumental in building good campus-society relation. There were four units of N.S.S. in our college each having strength of 100 students. Prof. Apurbo Gorai, Prof. Susanta Mallick, Prof. Soma Lohar and Dr. Manas Kumar Das are looking after N.S.S. activities of NSS (Unit I, II, III & IV respectively) as programme officers of the four units.  

The students participate in various activities like plantation, blood donation, Pulse Polio Programme etc. They organize seminars on different social awareness matters on regular basis. The major external activities of the college are looked after by our NSS volunteers and the campus-society committee. Besides thalasemia detection of the students has been a concern. Besides NSS volunteers have performed well this year. Four students have participated in Eastern Zone Pre-Republic Day Camp and in the State Republic Day Camp. Students of NSS have represented our college in adventure camp in Manali. Our College was chosen as a venue for organizing a cultural meet of 6 colleges affiliated to SKBU.
  
- V) **Other Activities:** Regular literacy classes are held in two of the adopted villages by the volunteers of NSS units. We are in constant endeavour to link our institution to the community by engaging ourselves and the students in running literacy programme, organizing seminars on general social matters, blood donation camps, thereby helping the students to acquaint themselves with the society. Aids awareness campaign is also done by the units. The college is also planning to organize seminars on different subjects for the benefit of the students and teachers. A few aspects of our achievement need to be separately highlighted. The college authority constantly keeps in mind the urgency to uplift the aptitude level of both the teachers and the students. The creation of a large seminar hall has facilitated the opportunity for enlistment of the information level and consciousness level of the through seminars.
  
- VI) **N.C.C.:** The College has two well organized wings of N.C.C., where boys and girls optimize discipline, obedience and aspiration. For the last few years their performances have been appreciated by the N.C.C. officials.

As mark of recognition, our N.C.C. unit has secured first place in Republic Day Parade where all major schools and colleges of the district vie for superiority over one another. The certificate which a cadet may acquire helps him or her immensely to be successful in the job market. Our N.C.C. units regularly take part in cultural activities. They are often seen to come up especially with short plays to enkindle in the heart of the viewers the spirit of patriotism and unity. In addition to these our cadets both boys and girls take part in blood donation camps and other social awareness programmes. Prof. Bapi Mandal has been appointed to look after all the N.C.C. activities.

VII) **Sports & Games:** In the past few years students of our college has taken part in various events and has brought prizes for the college. Colleges like ours (Grant in Aid) take part in the events organized by University, State Government at district level or at State Level with limited resources. But from the year 2013-14 our resources increased so as the inspiration of the students to do something. There is a sports fee which is imposed on the students but it is negligible for overall development. At present our college students take part in sports and games in four stages -

1. At College level (Annual Sports)
2. At University level (Organized by University)
3. At District level (Sponsored by State Government of West Bengal)
4. At State level (Organized by D.P.I.)

Those who rank in the college level are sent to the University and District level and those who rank among the District level competition are chosen for taking part in the State level held at Sports Authority of India (SAI), Salt Lake, Kolkata. Our students basically take part in athletics, cricket, volley ball, badminton and football. Our sports committee organizes the college sports and then the students who secured 1<sup>st</sup> and 2<sup>nd</sup> position in athletics events are sent to perform with other colleges both at the University level and District level sponsored by the State Government. Among those students who performed well and secure 1<sup>st</sup> position are sent to the State level competition

Organized by the Education Directorate, Govt. of West Bengal. Our students are also benefitted by these co-curricular activities in sports as they have opportunity to express their talent. Alongside with the outdoor games we have provisions for indoor games like table tennis, chess and carom. Inside the college campus on a few available stretches of land our students play Badminton and Volley Ball. Due to Covid-19 pandemic, last year sports was not held in the college.
