

MAHATMA GANDHI COLLEGE

NSS UNIT- I

NSS-

In India, the idea of involving students in the work of national service goes back to the days of Mahatma Gandhi, the father of the nation. The University Grants Commission headed by Dr. Radhakrishnan recommended introduction of national service in the academic institutions on a voluntary basis with a view to developing healthy contacts between the students and teachers on the one hand and establishing a constructive linkage between the campus and the community on the other hand.

On September 24, 1969, the then Union Education Minister Dr. V.K.R.V. Rao, launched the NSS programme in 37 universities covering all States and simultaneously requested the Chief Ministers of States for their cooperation and help. It was appropriate that the programme was started during the Gandhi Centenary Year as it was Gandhi Ji who inspired the Indian youth to participate in the movement for India's independence and the social upliftment of the downtrodden masses of our nation.

OBJECTIVES-

- understand the community in which they work
- understand themselves in relation to their community
- identify the needs and problems of the community and involve them in problem-solving
- develop among themselves a sense of social and civic responsibility
- utilise their knowledge in finding practical solutions to individual and community problems
- develop competence required for group-living and sharing of responsibilities
- gain skills in mobilising community participation
- acquire leadership qualities and democratic attitudes
- develop capacity to meet emergencies and natural disasters and
- practise national integration and social harmony

Motto-

“NOT ME BUT YOU”

The Motto of NSS "Not Me But You", reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students development & appreciation to other person's point of view and also show consideration towards other living beings. The philosophy of the NSS is a good doctrine in this motto, which underlines on the belief that the welfare of an individual is ultimately dependent on the welfare of the society as a whole and therefore, the NSS volunteers shall strive for the well-being of the society.

NSS Logo

The logo for the NSS has been based on the giant Rath Wheel of the world famous Konark Sun Temple (The Black Pagoda) situated in Orissa, India. The Red & Blue colors contained in the logo motivate the NSS Volunteers to be active & energetic for the nation-building social activities. The wheel portrays the cycle of creation, preservation and release and signifies the movement in life across time and space, The wheel thus stands for continuity as well as change and implies the continuous striving of NSS for social change.

National Service Scheme in Mahatma Gandhi College-

Mahatma Gandhi College has a volunteer strength of 400. These volunteers are led by 4 Programme Officers . The NSS started functioning at M.G.College since 1995 and the performance of this scheme is highly satisfactory. As a value-based volunteer program, the NSS has always been close to the burning issues affecting society.

The NSS volunteers of the college regularly undertake programmes that help in the development of the areas near the college. Adoption of villages for development, blood donation camps, Awareness campaigns on various issues including AIDS, organizing campaigns for eradication of social evils etc., are the regular activities of the NSS actual planting and protection of trees.
