

**SPORTS PROFILE
AT A GLANCE
MAHATMA GANDHI
COLLEGE
LALPUR ,PURULIA**

In the past few years students of the college has taken part in the various events and has brought prizes for the college. Colleges like ours(Grant in Aid) take part in the events organized by University, State Government at district level or at State level with limited resources. But from the year 2016- 17 our resources increased so as the inspiration of the students to do something. There is a sports fee which is imposed on the students but it is negligible for overall development.

At present our college students take part in sports in games in four stages:-

1. At college level (Annual Sports)
2. At University level (Organized by University)
3. At district level (sponsored by State government of West Bengal)
4. At state level (organized by DPI)

Those who rank in the college level are sent to the university and district level and those who ranks among the district level competition are chosen for taking part in the State level held at Sports Authority of India (SAI), Salt Lake, Kolkata.

Our students basically take part in Athletic, Cricket, Volleyball, Badminton, Football, Kabaddi , Kho Kho.

Our sports committee organizes the college sports and then the students who secured 1st and 2nd position in Athletic events are sent to perform with other colleges both at the university level and district level Sponsored by the State Government. Among those students who perform well and secure 1st position are sent to State level competition organized by the Education Directorate Government of West Bengal. Our students are also benefited by these co curricular activities in Sports as they have opportunity to express their talent.

In other games like Cricket, Football, Volleyball, Badminton, Kabaddi and Kho Kho our college team has the following record
