SURVEY OF VILLAGE Survey of the Chakalta village is conducted by the students of NSS during special camp. In this survey, each student has given 5 survey form which is filled according to the information given by the respective villagers. 25 members of the NSS camp has collected the information from each houses. 125 forms has been filled. Common information regarding the village and locality is mentioned at the beginning of each form. The printed forms contained questions regarding population of the

house, occupation of the family members, questions considering the education and qualification of the family members and the benefits received from the welfare of the village. Questions about the household items and the housing was also asked regarding better sanitary facilities. The survey form also includes the complete information of the villagers, family members, income source and etc.

Our post lunch session has a very special guest and on very recurrent topic. Mr Anup Ghosh, respected Officer-in –Charge of Hura police station along with Mr. Samir Adhikary , WBPS, Dy. S.P (DEB) discusses the trap of social networking site. How young boys and girls are being duped by doing chat and friendship with unknown persons. Safe driving with proper driving license with wearing helmet is necessary. Mr. Adhikary clearly tells how silly mistakes in taking turn over leads to deadly injuries and even loss of life. Helmet wearing is mandatory while driving. Latest Purulia district police has launched a protective app from child to adult; Sahay

App. It is so easy to use, just by clicking one simple button DIB sir can be connected. Thus Police can be contacted in any need, be it theft or robbery or eve teasing. All present volunteers installed the app . it is truly a very informative and very important session . Volunteers are trained to help themselves and to societal needs.

INDEPENDENCE DAY CELEBRATION

TREE PLANTATION

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. In our college we are going to plant 110 trees in this year.

Republic day celebration

Celebration of republic day in our college is very much special like other institute in India.

We celebrate this day in our college and also we use participate in Purulia Victoria high school in koocha awaz competition. More ever we are able to get 1st prize in that competition.
