It was in November 1981 that Mahatma Gandhi College was established at Lalpur, Purulia. From the date of foundation it is absolutely clear that the College is reasonably a new one. i) The college has its limitations in providing infrastructural facilities to students and the teachers. However, attempts are constantly being made to improve upon the same. An additional class room building has been completed from the financial assistance from Purulia Zilla Parishad and internal resources. Another class room building is also on the verge of completion under the scheme BEUP. The three academic blocks provide the college with enough number of rooms to run our teaching smoothly. At present we have 26 class rooms and an enormous seminar Hall.

ii) Hostel: There are two Hostels (Boys) with a capacity of sixty students. Considering the increased demand for hostel accommodation a separate Hostel is built named Nazrul Girl's Hostel where the Girl students will be given opportunity and the minority students will be given first preference. Girls should contact Prof Soma Lohar and Prof Sk Mustafa of Dept of English if they are willing to take accommodation. Financial assistance for this project has been provided by the State Govt. Dr. Kalyan Senapati and Dr. Manas Kumar Das are in charge of the Vidyasagar Boys Hostel and Vivekananda Boys Hostel.

iii) Library: We can be proud of our existing Library facility. Number of Books in the Library is increasing day by day because of grant from UGC, State govt. & also from our own internal resources. There are ample opportunities for the students to spend their time in the

reading room in our library. Students can take the help of computer searching method to find their desired books & journals etc. from the library.

iv) National Service Scheme (N.S.S): The N.S.S is in operation in the college. The college takes it very seriously from the beginning, since we believe that the volunteers of N.S.S are instrumental in building good campus-society relation. There are three units of N.S.S in our college each having strength of 100 students. Program officers of these NSS units are- Unit I: Prof. Partha Pratim Roy, NSS II: Prof. Susanta Mallick, Nss III Prof. Soma Lohar NSS IV Dr. Manas Kumar Das. Apart from this we have got permission to start a new unit named Unit IV which will comprise of 50 students in the first year.

The students participate in various activities like Plantation, blood donation, Pulse Polio Programme etc. They organize seminars on different social awareness matters on regular basis. The major external activities of the college are looked after by our N.S.S volunteers and the campus society committee. Besides thalasemia detection of the students have been a concern.

Other Activities: Regular literacy classes are held in two of the adopted villages by the volunteers of N.S.S units. We are in constant endeavour to link our institution to the community by engaging ourselves and the students in running literacy programme, organizing seminars on general social matters, blood donation camps, thereby helping the students to acquaint themselves with the society. Aids awareness campaign is also done by the units.

The college is also planning to organize seminars on different subjects for the benefit of the students and teachers. A few aspects of our achievement need to be separately highlighted. The college authority constantly keeps in mind the urgency to uplift the aptitude level of both the teachers and the students. The creation of a large seminar hall has facilitated the opportunity to enlistment of the information level and consciousness level of the through seminars.

v) N.C.C: The College has two well organized wings of N.C.C, where boys and girls epitomize discipline, obedience and aspiration. For the last few years their performances have been appreciated by the N.C.C officials. As mark of reorganization, our N.C.C unit has secured first place in Republic Day Parade where all major schools and colleges of the district vie for superiority over one another. The certificate which a cadet may acquire helps him or her immensely to be successful in the job market. Our N.C.C units regularly take part in cultural activities. They are often seen to come up especially with short plays to enkindle in the heart of the viewers the spirit of patriotism and unity. In addition to these our cadets both boys and girls take part in Blood Donation Camps and other social awareness programmes. Prof. Apurba Gorai has been appointed to look after all the N.C.C activities.

vi) Sports & Games:

vii) Carrier Guidance Cell: The College has constituted a Carrier Guidance Cell to help the students for placement in their future life. Prof. Sukumar Mitra, Prof. Thakurdas Mahata are looking after this. UGC has approved our proposal and has ensured required funding.

viii) Anti-ragging Committee: the college has constituted an Anti-ragging committee for keeping the campus well disciplined. Though no incident of ragging has happened, the committee takes prompt action in case of any misconduct occurring in the campus and recommends appropriate punishment for students found guilty.

ix) Cultural Facility: Besides academic pursuit, we encourage students to achieve all round personality development. We have a seminar hall with a capacity of 350 students for cultural programme. We are committed to produce not only good graduates but also impart good human values to them

xii) Remedial Coaching: Under another scheme funded by UGC our college runs remedial coaching facility for SC/ST/OBC (non-creamy layer)/BPL category students. This is looked after by Prof. Sk Mustafa Md N Ehsanul Hoque.

xiii) Career Oriented course: We also have got the permission to run a UGC funded certificate course, "Translation Proficiency" to equip our students for the job market. This is taken care of by Prof. Rahul Chakrabarti.
